Training and Employment for Newcomer Youth (TENY)

The Multicultural Association of Fredericton Inc. (MCAF) **Training and Employment for Newcomer Youth** (TENY) coach newcomer youth to prepare for and to find a job in Fredericton. TENY services provide information, training, and networking opportunities to support newcomer youth to explore their career and educational pathways and goals.

■ Part-time and Summer Jobs

Explore the local job market and your employment goals.

- Learn how to:
 - look for jobs in Fredericton;
 - complete job applications;
 - prepare your resume;
 - practice interview skills.
- Learn about the Canadian labour market:
 - soft skills for the workplace;
 - workplace culture, safety, rights and responsibilities.
- Build your network and meet with local employers:
 - learn about volunteer opportunities, work placements, and summer jobs.

■ Training and Bridging

- Workplace training such as:
 - Workplace Essential Skills Training (WES), First Aid and CPR.
 - English classes, tutors and homework clubs.
 - Food Safety Certification.
 - Baby-sitter's training course.
- Newcomer youth can also receive guidance on how to:
 - learn about training and educational opportunities;
 - apply for college or university, student loans and scholarships.

■ The Bridge Program

The **Bridge Program** is an upskilling experiential learning program for newcomer youth in high schools in New Brunswick. This program focuses on skills youth require to have a successful transition into the labour force.

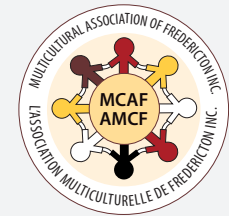

Newcomer youth between the ages of 16-20 who do not speak English as a first or home language can participate in this program which will allow them to gain:

- intensive language training and workplace skills instruction;
- the opportunity to participate in an instructor supported work experience in New Brunswick.

■ Skills Launch Program

This 10 month full-time bridging program is designed to support immigrant youth ages 18-30, with gaps in their formal education, to explore their career options and gain local work experience. Skills Launch participants:

- learn about various occupations and Canadian workplace culture;
- evaluate career goals and gain new skills;
- complete health and safety training, including First Aid and CPR;
- complete Workplace Essential Skills (WES) and English Second Language training;
- complete a 26-week, paid work placement.
