- **Training** including:
  - Cultural Competency

### Sharing Culture

MSS brings together ethno-cultural associations to design activities and events to share their culture, organize and participate in community events.

Artists from diverse ethno-cultural associations unite to promote diversity through multicultural music, dance, songs, drumming and play:

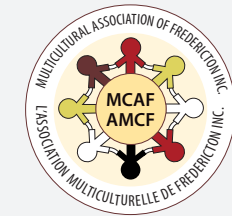

- Multicultural Dance Troupe
- Multicultural Drumming Circle
- Multicultural Choir Group

### Engaging the Community

MSS also invites the Fredericton community and key stakeholders, including seniors, family groups and youth, to interact with newcomers and diverse cultures in order to create an inclusive and welcoming community.

We invite ethno-cultural groups to be a part of **Multicultural Shared Spaces**.
